**DEPARTMENT OF ENERGY AWARDS MILLICAN & ASSOCIATES TEAM
\$205 MILLION BLANKET PURCHASE AGREEMENT**

*Management, Organizational and Administrative Support for Department of
Energy and National Nuclear Security Administration*

FORT LAUDERDALE, FL — Millican & Associates, Inc., a records and information management consulting firm, today announced its team has won a blanket purchase agreement (BPA) to provide a variety of management, organizational and administrative (MOA) support services on behalf of Department of Energy (DOE) and National Nuclear Security Administration (NNSA). The BPA has a base period of one year with four one-year option periods, and is valued at approximately \$205 million.

Under the contract, Millican & Associates and its partners will compete for tasks that support Program Management, Security, Records Management, Acquisition Support, Inventory Control and Management, Financial Support, as well as a number of other areas. The Millican & Associates team includes CNSI, McNeil Technologies, Inc., RIC International, Inc., TechSource Inc., and YAHS GS LLC.

“Millican & Associates has assembled an exceptional team of partners that are among the best in their respective areas. More importantly, every company has a long-standing relationship and proven track record with DOE,” said Dennis Millican, president, Millican & Associates. “On behalf of the team, we are pleased to extend our relationship with DOE and look forward to leveraging our domain knowledge and technical expertise in support of DOE and NNSA’s mission-critical national security initiatives.”

About Millican & Associates
